

Waterproof Light / Rancher / PD-SL-P69

The Rancher produces bright light; is triple sealed against dust, steam and water and is shock resistant. The PC/PE frame and stainless steel end caps make it resistant to corrosion and ageing.

Designed for use indoors and outdoors. Ideal for use in agricultural: poultry and livestock farming or any damp, wet or dirty environments.

The Rancher is a high efficiency light fixture that requires minimal maintenance and has low energy consumption.
